2016 94' OVERMARINE-MANGUSTA "WINGSPREAD"

FULL ENGINE WARRANTY UNTIL MARCH 2021

WINGSPREAD is the finest example of a 94’ Mangusta on the market today. She has been meticulously cared for by a discerning owner, and original build captain.

Besides Mangusta performance and style, WINGSPREAD is spacious and has flexible interior accommodations. A custom interior staircase leaves the aft deck free for entertaining and maneuvering. Italian furnishings decorate the main salon and a sliding sunroof, paired with the expansive aft deck lounge area, creates a wide open indoor / outdoor environment.

The master stateroom, VIP suite and twin cabin accommodate 6 guests, and all staterooms offer ensuite heads.

The extended swim platform and bow seating with double sunpads make swimming accessible and sunbathing comfortable.

WINGSPREAD benefits from her recent MTU service updates and has a FULL engine warranty until March 23rd 2021.
