Page 4 of 7

- Ablative polymer/copper based anti-fouling bottom paint
- Molded fiberglass longitudinal stringers with steel engine beds
- Finished engine room and bilges
- Fuel water separator/filters with electric priming pumps
- Fuel transfer system with integrated pump protection and full tank shut off switch
- Oil changing system for engines, generators and gears
- Fiberglass fuel tanks constructed with fire-retardant resin and bronze fittings
- Stainless steel rudders with manganese bronze dripless rudder seals
- Alloy 22 high strength propeller shafts tapered with round keys
- Manganese bronze struts and engine coupling
- NiBrAl high performance 8 blade propellers
- Hatteras designed under water exhaust system
- Generator exhaust water separator
- Hydraulic fin stabilizer system
- Hydraulic 55 hp dual prop bow thruster

Engine Room Systems:

- FM200 fire extinguisher system with automatic and manual controls
- 24VDC bilge and sump pump systems
- High volume emergency bilge pump
- All underwater through hull valves are bronze/chrome through-bolted with electrical bonding throughout
- Electric hydraulic power steering with dual rams and individual rudder control
- AC compressed air system with regulator and accessory connection
- AC tubeaxial exhaust discharge fans (2) for engine room
- Two AC ventilation fans

Air Conditioning:

- HVAC controls located in all staterooms, crew area, salon, and galley
- Interior chilled water air conditioning, (3) 5-ton, with reverse cycle heating and soft starting AC compressors
- Extraction air system in all heads with overboard discharge

Water Systems:

- Freshwater wash down outlet on swim platform, bow deck, flybridge, and engine room
- Freshwater shower on swim platform
- AC freshwater pump
- Centralized freshwater manifolds with shutoffs
- (1) 50 gallon & (1) 30 gallon 240 volt water heaters
- 820 gallon fiberglass water tank
- 420 gallon fiberglass holding tank with deck plate and 24V overboard discharge pump
- Holding tank 3/4 full indicator light in all heads
- Freshwater toilet in all heads
- Dockside water connection with pressure regulator

Electrical Systems:

- 240V, 100A retractable shore cords with wireless remote control (2)
- 100A polarization transformers with boost function (2)
- AGM 24 volt heavy duty marine battery banks mounted in fire retardant fiberglass boxes (2)
- Automatic battery charger (2)
- Automatic battery paralleling system with switch on helm console
- Battery control panel with fuses and isolation switches located in engine room
- AC and DC distribution panels with magnetic circuit breakers
- DC electronics panel with magnetic circuit breakers
- Smoke detectors located in all staterooms, salon, galley, crew area, and electronics locker
- CO detectors located in all staterooms, salon, galley and crew lounge
- USB charging ports in all staterooms, salon, galley and crew lounge
- Two 40KW generators
- Accessible AC outlets with ground fault protection throughout

System Monitoring and Yacht Management:

- Proprietary HattCON systems monitor

Entertainment Equipment:

- Interior and exterior audio video systems - see AV supplement for details and optional upgrade packages
- Omni-directional TV antenna

China, Crystal and Flatware:

- Formal china, crystal and flatware with integrated storage; service for 8

Supply Items:

- Stern flag staff with ensign
- Braided nylon mooring lines (6), Life jackets (12), Life rings (2), Fender hangers, leather with wool liners, (6), Fenders (6), Fog bell
- Cordless portable vacuum w/mounting brackets (2)
- Portable “drychem” fire extinguishers in compliance with USCG and ABYC standards
- Vessel supply items (details in supplement)

Warranty

- 1 year world wide warranty: see express limited warranty for details
- 10 year hull warranty: see express limited warranty for details
