Cockpit and Tower and Electronics

- Mezzanine seating with cushions
- Bait and tackle center with drawers
- Bait freezer under mezzanine seat
- 4 insulated storage boxes in mezzanine step
- Refrigerated drink box in top step of mezzanine
- Cockpit, 205 square feet including mezzanine, two insulated fish boxes with macerator, stainless steel rod holders (4), and mounting plate for installation of rocket launcher
- Insulated transom fishbox with drain and macerator
- Transom door with heavy duty polished stainless steel hardware

Interior

Wood Finishes / Wall Coverings / Fabric:

- Teak interior, high gloss finish
- Teak interior, satin finish
- Fabric headliner installed on track system; wood accents in salon
- GT series tier 3 interior fabrics, wallcoverings, and countertops (upgrades available at the Hatteras Design Center)

Flooring:

- GT series tier 3 flooring throughout: Vinyl flooring in galley and heads, carpet in salon and all staterooms (flooring upgrades available at the Hatteras Design Center)

Integrated Interior Furnishings:

- L-shaped sofa with storage, and Teak cocktail table with storage in salon
- Galley island cabinet with two bar stools
- U-Shaped elevated dinette with storage beneath, wood table with stainless steel pedestal
- Master stateroom, king sized tapered berth, nightstands, and armoire
- Bow stateroom, queen sized tapered berth and nightstands
- Port forward and port aft staterooms, upper pullman and lower fixed twin berths, with storage beneath lower berths
- Starboard aft (crew) stateroom, upper pullman and lower fixed twin berths and nightstand
- Cedar lined storage areas in all staterooms
- Full-length mirror in all staterooms
- Hanging locker storage in all staterooms
- Mirrored storage cabinets over sinks in master head, bow head, and port guest head

Design Features:

- Bilge access through companionway deck hatches
- Companionway access to finished attic spaces
- Fixed frameless windows with tinted safety glass in salon and galley
- Bow stateroom screened overhead hatch with privacy shade
- Port and starboard screened overhead hatches with privacy shades
- Engine room access through aft crew head
- Chair rail in companionway

Interior Lighting:

- Dimmable LED lighting in living areas
- White LED lights in engine room

Mattresses:

- Master and bow staterooms, queen-sized mattresses - System 3
- Port forward and port aft staterooms, twin mattresses (2 each), system 2 lower berths / latex upper berths
- Starboard aft (crew) stateroom, twin mattresses (2) – Latex

Page 3 of 10

- Flybridge, center console with three helm chairs, lounge seat forward of console with insulated storage, two bench seats with reversible riding seat teak ladder back rests and storage beneath.

Exterior Engineering:

- Palm Beach style helm with single lever electric controls and steering wheel
- Sliding salon door

Exterior Hardware and Anchoring System:

- Anchor, 25' chain, 300' anchor line
- Bow deck anchor locker
- Four polished stainless steel spring cleats
- 2 polished stainless steel bow cleats and 2 stern cleats and hawse pipes
- Polished, anodized aluminum flybridge rail and bridge ladder
- Dual horn

Exterior Lighting:

- DC LED tricolor overhead lights under flybridge overhang
- Tri-color coaming lights
- Underwater LED lights (2) in transom – white

Appliances

Interior Appliances:

- Under counter refrigerator and freezer drawer units (2 refrigerator/refrigerator unit, 1 refrigerator/freezer unit)
- Microwave/convection oven
- Four-burner ceramic cooktop
- Garbage disposal in galley
- Icemaker in salon
- Washer/dryer in companionway

Exterior Appliances:

- 8 cubic foot top-loading freezer on flybridge

Hull and Exterior

Propulsion / Fuel Systems / Hull Design and Performance:

- Resin-infused foam core with solid fiberglass hull bottom; resulting in stronger and lighter construction, backed by Hatteras 10-year hull warranty
- Hull and super structure painted with a white premium polyurethane coating for increased durability and improved cosmetic finish
- Ablative polymer/copper based anti-fouling bottom paint
- Molded fiberglass longitudinal stringers with steel engine beds
- Finished engine room and bilges for improved cosmetics
- Twin Caterpillar® C-32A 1,800 BHP diesel engines
- Electric fuel priming pumps for engines
- Oil change system for engines, gears and generators
- 2,140 gallon combined fiberglass fuel tanks constructed with fire retardant resin and bronze fittings
- Hydraulic patented differential power-assisted steering
- U.L. Marine-listed duplex fuel filters/water separators, engines and generators
- 1" stainless steel steering tie bar with pivoting self aligning ball joint connection at all cylinder and tie bar connections
- Stainless steel rudders with zincs
- Manganese bronze rudder ports, shaft couplings, and struts
- Transom zinc
- Alloy 22 high strength tapered propeller shafts with zincs and round keys for reduced stress concentrations at propeller and coupling ends
- Nibral high performance propellers
- All underwater through hull valves are bronze/chrome through-bolted with electrical bonding throughout

Engine Room Systems:

- FM200 fire extinguisher system with automatic and manual controls
- DC ventilation fan and AC thermostatically controlled ventilation fans (2)
- 24V high volume DC bilge and sump pump systems
- Emergency bilge pump in lazarette
- Insulation in engine room ceiling, for noise mitigation in salon
- Individual pickup sea chests for each engine and gensets, high speed sea chest for water makers, air conditioners and raw water pumps
- Centralized drain line with single thru-hull

Water Systems:

- 40 gallon water heater
- 330 gallon polyethylene water tank
- Pressurized fresh water pump
- Water manifold with centralized shut off valve for sinks and showers
- Cockpit fresh water wash down outlet
- 24V DC sealed shower sumps
- Flybridge fresh water outlet
- 215 gallon holding tank plumbed for dockside pump out
- Holding tank 3/4 full indicator light in all heads
- Shore water connection with pressure reducing valve
- Bow deck fresh water wash down in anchor locker

Electrical Systems:

- (1) 50A, and (1) 100A 240 volt, retractable shore cords
- Shoreline polarization transformers with boost function (2)
- AGM 24 volt heavy duty marine battery banks mounted in fire retardant fiberglass boxes (2)
- Automatic battery charger
- Ventilation fans for electronics in attic space
- Automatic battery paralleling system with switch at helm
- Battery control panel with fuses, voltmeter, and isolation switches
- AC and DC distribution panels with magnetic circuit breakers
- Electric panels, water tank gauge, and DC lights in attic space
- 220 volt AC air compressor with regulator

System Monitoring:

- Flybridge Hatteras systems monitor display with visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke and carbon monoxide detectors, and holding tank 3/4 monitor
- Lighted compass

Entertainment Equipment:

- Omni-directional TV antenna
- Integrated flybridge and cockpit DC AM/FM stereo with USB dock and speakers
- Independent audio video system in each living area to include LED televisions, DC AM/FM stereos, USB ports, and speakers. master stateroom and bow stateroom have Blu-ray players, guest and crew staterooms have DVD players

Air Conditioning:

- Air conditioning, 64,000 BTU capacity with reverse cycle heating
- HVAC controls located in the salon, master stateroom, bow stateroom, port Midship stateroom and port and starboard aft stateroom

Supply Items:

- Braided nylon mooring lines (6)
- Life jackets (10)
- Life ring
