## Description

**On display at the Free Trade Zone docks at**

**Lauderdale Marine Center**

New navy blue hull paint in 2019 - Atlas 75kVA shore power converter

4000-hour service completed.

Luna Rossa was custom built by Sunseeker for the original owner. His requirements called for an open main salon, so the room divider between the salon and dining area was removed. By eliminating the room divider, this space feels much more open and conducive to entertaining and relaxing with the family.

Other improvements include a beautiful custom wood table on the sundeck that can accommodate 12 guests comfortably and a sofa arrangement on the aft deck in lieu of the typical small table. Recently completed work includes; complete Awlgrip hull repaint, interior refurbishment including new hardwood floors and fascia boards in strategic areas, new high-quality mattresses, and a general update and upgrades where needed.

Luna Rossa has a full-time crew of five, who maintains her in show condition at all times. Every area of this yacht is immaculate and ready for the next owner.

## Details

**Remarks** Luna Rossa was originally sold in 2012. Her current owner bought her in 2015 and corrected all survey findings at that time. In 2019 the yacht benefitted from a mechanical update including a zerohour rebuild of the mechanical end of both generators, complete Awlgrip hull repaint, interior refurbishment including new hardwood floors and fascia boards in strategic areas, new highquality mattresses, and a general update and upgrades where needed. Luna Rossa has a fulltime crew of five, who maintain her in show condition at all times. Every area of this yacht is immaculate and ready for the next owner.

### **Mechanical Equipment**

TracStar digital fin zerospeed stabilizer system  
American Bow Thruster – bow & stern thrusters  
Tropical air with upgraded quietrunning AHDC air handlers  
brand new Idromar MC3J180 watermaker (1150 g/p/d)  
Sewage treatment plant interfaced to Tijssen system  
Portable air compressor

### **Electrical Equipment**

Built to US electrical specifications 60 hz  
2 x Kohler EOZD 65kw generators (recent major service)  
Atlas 75kVA shore power converter  
MPA touch screen monitoring system
