## **Overview**

By any standard, the Viking 65 MY ranks among the most impressive 65-foot motoryachts built in recent years. Beautifully styled and boasting a lavish cherrywood interior, she's a notably comfortable boat in offshore conditions thanks to her moderate beam and easy-riding deep-V hull. The accommodations of the 65 include up to five staterooms with a spacious salon, flybridge access steps to port, a sunken galley behind the helm and a dining area forward, two steps up from the salon. Visibility from the lower helm is excellent, and a side door opens to the deck, a convenience usually missing in modern Eurostyle motor yachts. The cockpit, with its teak sole, bridge staircase and engine room hatch, is fully sheltered by a bridge overhang. Above, the flybridge has a hideaway electronics console, plenty of seating and a barbecue grill. Note that the sidedecks are very wide and the swim platform is large enough to support a tender. (This one has a davit) (PowerBoat Guide)

## **Salon**

Very large and spacious salon

Plenty of natural lighting, interior access to the bridge and very clean!

Large Stainless Steel Sliding Door with drop-down window to completely open the cockpit to the salon
