Walk Through

Enter the cockpit lounge from the middle or port side walk through, this is a special feature of this Cruiser 390 Express Coupe. Convertible rear seats allow you to choose the layout you need for your cruise. Once on board you will notice the integrated sliding system that allows you to change the layout in a matter of seconds.

There is ample room for several family members and/or friends to share an enjoyable day on the water. The seating area also converts to a full sun pad for catching rays.

Forward to starboard is the integrated grill and wet bar with icemaker. The helm area features comfortable double helm chairs with perfect height and reach to the instrumentation. To port is a multi-position lounge with cup holders in easy reach. A fully retractable coupe soft top opens the entire helm to the outside.

Stepping down into the cabin, you will find a large forward V-Berth/dining area that can convert to a full queen berth with 2 Pullman berths above allowing 4 to sleep comfortably. The walnut sole creates a spacious ambiance. The galley to port is fully equipped with microwave, fridge, 2 burner cooktop, solid surface countertops and a recessed stainless steel sink. To starboard is a head with Vacuflush toilet, porcelain sink and separate stall shower.

Aft to port is the full beam Master cabin. The master has a queen berth, Ultra leather love seat, a large hanging locker and additional storage areas plus a 32" TV, and indirect lighting.

Access to the foredeck is easy with wide walk around side decks. The foredeck is outfitted with windlass with fresh water washdown and chaise lounges for taking in the views.

The engine room houses twin Volvo D6 IPS 500 engines and a 9.0kW Kohler generator.
